New Mobile Carts for Rye Township

Be on the Lookout!

Penn Waste will be distributing mobile carts to the residents of Rye Township for trash service. Residents will begin seeing mobile carts delivered in mid January 2022. You may begin utilizing the cart once it is received.

- Customers will receive one (1) 96 gallon mobile cart for trash service.
- Qualifying senior customers will receive (1) 35 gallon mobile cart for trash service.

Penn Waste will be collecting trash from Rye Township with an automated truck. The utilization of the mobile cart is required to provide this service. Penn Waste will begin collecting material with this truck after the cart installation is complete. Please begin utilizing your cart once it is received. This will help our crews to better service you by providing automated collection of your trash.

Proper Mobile Cart Placement:

Please be advised that all mobile carts should be placed behind the curb or street line. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The garbage truck arm has the capability to reach past the curb in order to pick up your cans.

Here are some tips to ensure a smooth collection process:

- Set mobile cart out by 5:00 AM the day of collection or the night before.
- Place mobile cart with the lid handle and wheels pointing toward your residence.
- Do not place cart in the roadway.
- Do not block walkways with carts.
- Place cart at least **THREE FEET APART** from other obstructions such as mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.

Pictured right are the carts that residents will receive. The cart to the right is the cart for the regular service. The cart to the left is for qualifying seniors.

Due to our current inventory, the cart you receive may not match the images in color to the right, but we will still service the carts that are delivered. If you should have any questions, please contact our customer service department at 717-767-4456.
